City bizman, wife, kids found dead in M'luru hotel

Devendrappa ended life by hanging after strangulating his wife, nine-year-old twin daughters; Police suspect mounting debt reason behind deaths

Mysuru, Mar. 31 (RK, BCT & BS)- In a heart-wrenching incident, four of a family of a small scale industrialist from Vijayanagar Second Stage in Mysuru, including nine-year-old twin daughters, were found dead at a hotel in Mangaluru city this morning.

Devendrappa

The deceased have been identified as N.E. Devendrappa (48), wife Nirmala (46), daughters Chaitra and Chaithanya. They were residing at a rented house at No. 121, Vani Vilas Layout, near Abhishek Circle in Vijayanagar Second Stage, Mysuru.

While Devendrappa was found hanging from the ceiling, his wife and daughters were found dead in a sleeping position on the cot, with blood stains found on them, at Room No.124 of Hotel Karuna Residency, a lodge on K.S. Rao Road in the heart of the coastal city.

According to preliminary investigation, the jurisdictional Bunder Police in Mangaluru suspect that Devendrappa strangulated his wife and kids, before hanging self.

The death note states that he (Devendrappa) took the extreme step unable to bear the harassment of financiers.

The family had checked into the hotel on Mar. 27 and booked the room for a day. On Mar. 28, Devendrappa informed the reception over phone that he will extend the stay for two more days and the family was supposed to check out on Mar. 30. As the room was not vacated, the hotel staff checked on them, but in vain. The Bunder Police were informed, on whose arrival the door was opened, only to discover the incident.

Devendrappa, a native of Nagarathnahalli in Davangere district shifted to Mysuru 11 years ago. He was running Balaji Industries, manufacturers of CNC Precision Components Machine Tool Accessories, at Metagalli Industrial Estate in city. As the debt went up around Rs. 3 crore, Devendrappa had even sold the industries recently, it is said.

Even before going to Mangaluru, Devendrappa had told his landlord Shivanna that he was going to his native to sell his agricultural lands and settle the debts. He had also not paid the rent of the house for several months, it is learnt.

JD(S) Corporator Prema Shankare Gowda, who is their neighbour, was pained over learning about their death.

Upon being informed by Police, Devendrappa's cousin sister who resides near Sankranti Circle in Hebbal, rushed to Mangaluru early this morning.

After post-mortem, the bodies will be taken to their native in Davangere district for the last rites, it is learnt.

EDITOR'S BOTTOMLINE

Man is not what he thinks he is, but he is what he hides." I read this saying of André Malraux only recently and I agree with it completely because of a personal experience. It is said that we have three aspects to our personalities: One is what we think of ourselves as, one is what others think of us and one is what we actually are.

What we think of ourselves as is, more often than not, what determines how we behave, and our behaviour, we believe, determines what others think of us.

However, what we really are is hidden from others, either because we deliberately hide it from others or because we are unaware of how we actually are. What we really are comes to the fore only rarely and in some specific circumstances, like when we are in a crisis situation or under tremendous pressure, or conversely, when we are in a position of power and authority.

We may hold any opinion of ourselves, but many a times we are totally unaware of how we really are. Therefore, if we want a glimpse of how we really are, we must watch ourselves when we are in a crisis situation or when we deal with others when we are in a position of power.

Do we find ourselves behaving like we normally do, or do we find a meaner and a baser version of ourselves emerging? For if it does, then it will be in our favour to take immediate action and work on making our inner self such that when it reveals itself to us, we are not ashamed of it. *— Anees Azeez in Deccan Herald*

New home sought for 'best friends' Dog and Goat

Raleigh: A North Carolina animal shelter is trying to find a new home for an unusual pair of bonded animals - a dog and a goat.

The Wake County Animal Centre said in a news release that "best friends" Cinnamon the goat and Felix the dog were brought to the shelter by City of Raleigh Animal Control on March 13, after their previous owner was no longer able to care for them.

Shelter director Jennifer Federico said staff were surprised to see the bond between the two animals. Federico said Cinnamon is so attached to Felix that she will cry when the two animals are separated. She said the shelter is determined to find the duo a home together.

"Whatever the reason for these two bonding, it's clear what would be best for their well-being is to keep them together," she said.

Install dividers to prevent accidents on 80 ft. road in Vijayanagar

Sir,

Through this column, I would like to draw the attention of the higher authorities concerned towards the issue of increasing road accidents in city.

Road accidents are a major concern for the residents of Vijayanagar 1st Stage, 80 ft. road these days.

Reckless, rash driving and driving in the wrong side seems to be a major cause of accidents, be it big or small.

Absence of a divider/speed breaker is adding to the traffic problem on this stretch.

In this month alone, I have noticed 3 accidents right in front of my house. I am not sure how many would have occurred throughout the road.

Hence, on behalf of the residents of the locality, I request the authorities to construct speed breakers and install dividers throughout the main road so that fast moving vehicles may slow down and stop for a while to help the pedestrians cross the road with ease.

96,150 people suffer from heart diseases every year: DHO

STEMI Management Model being set up across district to offer timely medical services for heart patients

Mysuru, Mar. 31 (TRR)- "Of the total non-epidemic deaths in the world, India's share is 12 percent which is mostly due to blockages in blood vessel (coronary arteries). It is estimated that about 2 to 3 million people are being affected by heart-related diseases every year in our country. In India, on an average, for every minute four persons die of heart attack. In Karnataka, which has a population of 6.97 crore, it is estimated that about 96,150 people suffer from heart diseases every year," said District Health Officer (DHO) Dr. K.H. Prasad in a press release.

Heart patients should be given treatment in the first 90 minutes of showing acute symptoms. After that, delay in every 30 minutes results in the damage of heart. The Chief Minister has directed to select 30 additional Spokes (an organisation of care that works with the Primary Care sector and is integrated with multi-disciplinary teams of Health professionals) and accordingly 30 Spokes have been identified and mapping of two Hubs have been completed. With STEMI (Segment Elevation Myocardial Infarction, a Heart attack due to Blood clot) Management programme, 75 Spokes and 5 Hubs have now become functional.

STEMI Management Model is a programme to offer good and timely medical services for heart patients at taluk-level hospitals to save time and money apart from reducing death rate. In Mysuru district, STEMI Model is being set up at H.D. Kote, Nanjangud, Periyapatna, Hunsur and K.R. Nagar Taluk Hospitals.

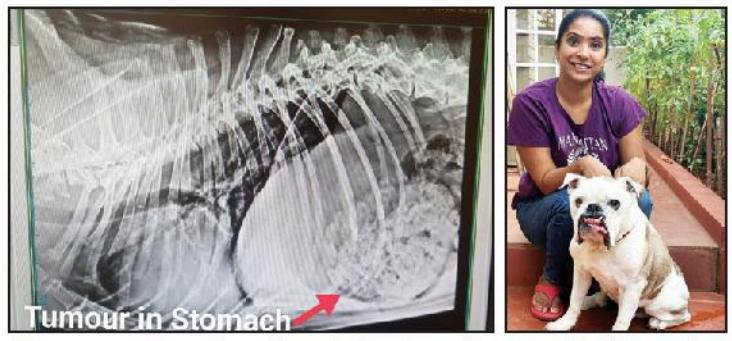
Cancer in pets and importance of early diagnosis, treatment

By Dr. H.V. Deepak

Mysuru, Mar. 31 - Caesar, a 12-year-old male English Bull Dog owned by Neethi Nair, a resident of Vijayanagar, was brought to Shree Pet Clinic with a complaint of having a mass on its lower lip which was bleeding on and off.

A sample was sent to histopathology (study of signs of the disease using microscopic examination of a biopsy or surgical specimen that is processed and fixed onto glass slides) in Bengaluru and the report came out as Squamous Cell Carcinoma, a type of malignant cancer of oral cavity. Malignant cancer, being a malignant tumour, has every chance of spreading to other organs and hence further evaluation was done.

An abdominal radiograph confirmed the presence of another large tumour in the pet's stomach. Further deliberation was made with an oncologist from Mumbai to finalise the treatment options.



Huge cancer mass found in pet dog Caesar's stomach. Picture right shows Caesar with his owner Neethi Nair.

The facts of the case were that Caesar is a 12-year-old, cardiac patient under treatment for valvular insufficiency and cancer cells had already spread to the stomach ruling out surgical removal and radiation therapy. Chances of recovery were less despite chemotherapy and the chances of recurrence were also positive.

Also, the side effects of chemotherapy at this age would be horrible for Caesar to bear and as cancer was in its advanced stage, a decision was taken along with Neethi Nair not to proceed with further treatment and indulge only in palliative care to keep Caesar happy and comfortable as long as he can fight cancer on his own.

Dogs, cats, cows, birds and even exotic pets do suffer from different types of cancers like humans and pet owners should not neglect or delay taking their pet to a veterinarian if any visible mass or tumour-like growth is found.

Treatment options that humans have — chemotherapy, radiation therapy and surgery — do exist for animals too and cancer can be cured only if it is detected in its early stages. Pet owners should get regular health check-ups done for their pets at least once in six months.

HC declares election of Tumakuru Rural MLA void

D.C. Gowrishankar

Bengaluru, Mar. 31- In what can be said as a setback to the JD(S) ahead of the May 10 Assembly polls, the Karnataka High Court on Thursday, declared the election of Tumakuru Rural JD(S) MLA D.C. Gowrishankar as void for corrupt practices.

Justice S. Sunil Dutt Yadav passed the order while hearing a petition filed by defeated BJP candidate B. Suresh Gowda.

The Court, however, placed the order under suspension/abeyance for 30 days following an application by Gowrishankar, seeking to enable him to appeal the Supreme Court against the order.

Gowrishankar had won against Suresh Gowda by a margin of over 5,000 votes in the 2018 Assembly polls.

Defeated BJP Candidate B. Suresh Gowda then petitioned the High Court contending that Gowrishankar's election was vitiated by corrupt practices. Suresh Gowda had also maintained that Kammagondanahalli Sri Maruti Seva Samiti (KMSS), a fully family controlled Organisation/ Trust linked to Gowrishankar, had taken Health Insurance Policies (Medi Assist Policies) in the name of the children of the voters of the Constituency and distributed them. He had also specifically asserted that the Policies were taken to benefit the students studying in 50 to 100 schools coming under Tumakuru Rural Assembly segment and as well as other students residing in approximately 200 villages. Suresh Gowda had contended that the distribution of Medi Assist cards by itself was an enticement to vote for the returned (Gowrishankar) candidate and it amounted to bribery as per Section 123 of the Representation of People Act.

The HC which heard the petition, held that the election agents of Gowrishankar had indulged in corrupt practices, which would fall within the definition of bribery under the Representation of People Act.

Court orders probe against Belur MLA

K.S. Lingesh

A Special Court for cases involving MPs/MLAs on Thursday ordered registration of an FIR against JD(S) MLA from Belur Constituency in Hassan district, K.S. Lingesh and 14 others for alleged grant of Bagar Hukum Government land to fictitious persons by creating fake documents.

K.C. Rajanna, a resident of Gandhinagar in Kolar, had filed a petition accusing K.S. Lingesh and 14 others of sanctioning 2,750 acres of Bagar Hukum land in Belur taluk worth more than Rs. 775 crore to fictitious persons. The Special Court which heard the petition, ordered registration of FIR against the Belur MLA and 14 others in connection with the case.

BJP first list of candidates to be out on Apr. 4

J.P. Nadda

Bengaluru, Mar. 31 (KMS&DM)- With the Assembly poll schedule announced, the ruling BJP is likely to release its first list of 145 party candidates for the May 10 polls on Apr. 4.

The BJP Central Election Committee will meet in New Delhi on Apr. 4 to finalise the list of 145 party candidates. BJP National President J.P. Nadda will chair the all-important meeting, which will decide the fate of BJP ticket aspirants. Sources said that the list may have several surprise names and fresh faces.

There are 224 Assembly seats in the State and the Election Commission of India will issue the gazette notification on Apr. 13. The last date for filing of nominations is Apr. 20.

The party is likely to give tickets to those who are closely associated with Sangh Parivar and those who have excelled in various fields. The names of strong candidates will feature in the first list. The State BJP unit is said to have recommended the names of candidates after receiving several rounds of inputs from the party cadre in each of the Assembly seats. However, the BJP Parliamentary Board will decide the choice of candidates after receiving inputs on the final round of internal poll survey and the report of the Sangh Parivar on the winnability of the aspirants.

BJP National Organisational Secretary B.L. Santosh and Union Home Minister Amit Shah will have the final say in the choice of candidates, it is said.

Varuna: Will Vijayendra be fielded against Siddu?

Yediyurappa

Bengaluru, Mar. 31 (KMS&DM)- Even as speculations are doing the rounds on the possible contest of B.Y. Vijayendra, State BJP Vice-President and son of former Chief Minister and Lingayat strongman B.S. Yediyurappa (BSY) from Varuna Assembly segment of Mysuru district, in which Constituency Opposition leader and former CM Siddharamaiah is contesting on a Congress ticket, BSY said that talks are going on within the BJP in this regard.

BSY says talks on, hints at fielding son

Addressing a press meet at the Party Office here on Thursday, Yediyurappa, while not ruling out the possibility of his son contesting against Siddharamaiah, said that discussions are on in the BJP.

Maintaining that it won't be easy for Siddharamaiah this time from Varuna, BSY said that however, it is the BJP High Command which will decide on who should contest against the Congress leader.

He further said that the BJP will field a strong candidate against Siddharamaiah, who is arguably the Congress' biggest mass leader.

Meanwhile, it is learnt that by fielding a strong candidate against Siddharamaiah, the BJP hopes to tie him down to his Constituency (Varuna) and thus make it difficult for him to campaign for Congress in other parts of the State.

Vijayendra was a serious aspirant against Siddharamaiah's son Dr. Yathindra at Varuna in the 2018 Assembly polls. But the BJP did not give him the ticket at the last moment.

Ramaswamy and Gopalakrishna quit as MLAs

Ramaswamy Gopalakrishna

Bengaluru, Mar. 31- Just two days after the Election Commission of India announced the Karnataka assembly poll-2023 schedule, two sitting MLAs of the current Assembly — A.T. Ramaswamy, the JD(S) Legislator from Arakalgud Assembly segment in Hassan district and N.Y. Gopalakrishna, the BJP Legislator representing Kudligi in Vijayanagar district, resigned as MLAs today. Both are four-time MLAs.

While A.T. Ramaswamy submitted his resignation to Legislative Assembly Secretary M.K. Vishalakshi at the Speaker's Office in Bengaluru as Speaker Vishweshwar Hegde Kageri was not in Office, N.Y. Gopalakrishna submitted his resignation directly to Speaker Kageri at Sirsi, the Constituency in Uttara Kannada district which the Speaker represents, it is learnt.

Bandipur prepped up for PM Modi's safari on Apr. 9

No public safari on Apr. 8 and 9; three helipads being constructed at Melukamanahalli Gate

Mysuru, Mar. 31 (MTY&BCT)- Prime Minister Narendra Modi will go on a safari inside the Bandipur Tiger Reserve in Chamarajanagar District during his visit to the poll-bound Karnataka on Apr. 9.

Modi will be in Mysuru to launch a three-day mega event on Apr. 9 to mark the completion of 50 years of Project Tiger and showcase India's tiger conservation success globally. He will also release the recent tiger census report, the Government's vision for tiger conservation and would also launch a coin to commemorate the event.

Sources said that PM Modi will arrive at the Bandipur Tiger Reserve after attending the programme in Mysuru. The forest authorities have taken up repair works on roads in the Reserve and three temporary helipads are being built at the Melukamanahalli Gate (safari point) near Bandipur.

Bandipur Project Tiger and Reserve Director Ramesh Kumar told *Star of Mysore* this morning that the PM is likely to visit the Tiger Reserve and hectic preparations are on. "Things are not clear as of now and the Special Protection Group (SPG) that protects the Prime Minister will take a call on the visit and the safari," he said.

Senior officers and security agencies have begun arriving in Bandipur to take stock of the situation and over 1,500 Policemen will be deployed to throw a security blanket. Sources said that there will be no safari on Apr. 8 and Apr. 9 following the PM's visit due to security reasons.

Sources said that the PM will arrive in Mysuru on Apr. 8 and after an overnight stay, he will inaugurate the three-day event on Apr. 9. Though the Senate Hall of the University of Mysore and the KSOU Convocation Hall are on the list of the venues for the PM's event, the venue has not been finalised yet.

Elephant rescuers to be honoured

At Bandipur, PM Modi will also felicitate the staff who had recently rescued a wild elephant which had suffered an electric shock.

It may be recalled here that on Feb. 13, the female elephant, which was between 25 - 30 years old, had accidentally come in contact with a barbed wire electric fence on a private land near the Omkar Forest Range. Due to the impact, it lost balance and fell to the ground. Though it struggled, it could not stand on its own.

The staff and veterinarians quickly intervened, providing prompt treatment to the injured elephant including administering IV fluids and recovering medicines. The treatment lasted a few hours and the pachyderm was repeatedly goaded to stand with an earth-mover.

The rescue efforts came in for huge praises and PM Modi too appreciated the efforts of the Bandipur staff, commending their bravery and dedication in saving the elephant's life. "Happy to see this. Compliments to the staff at Bandipur Tiger Reserve. Such compassion among our people is commendable," Modi wrote on his Twitter handle.

Mudhumalai visit

After the Bandipur visit, the PM will proceed to Mudhumalai National Park in Tamil Nadu, where Oscar-winner 'The Elephant Whisperers' was filmed. It won the Best Documentary Short Film at the recent 95th Oscar Awards.

The 40-minute film by Kartiki Gonsalves follows the story of Bomman, a Kattunayakan tribe priest and his wife, Bellie, who foster orphaned elephant calves. The PM is expected to meet the documentary team and also felicitate Bomman and Bellie.

Prime Minister Narendra Modi yesterday met documentary filmmaker Kartiki Gonsalves and producer Guneet Monga, who made the Oscar award-winning documentary 'The Elephant Whisperers'. "The cinematic brilliance and success of 'The Elephant Whisperers' has drawn global attention as well as acclaim. Today, I had the opportunity to meet the brilliant team associated with it. They have made India very proud," the Prime Minister tweeted after meeting the two ladies.

'Vote AAP to power in Karnataka this time'

Rajya Sabha MP Sanjay Singh (centre) releasing Aam Aadmi Party's guarantee card to the media in city yesterday.

Mysuru, Mar.31 (MTY&BS)- With the most corrupt Government at the helm in the State, the people are looking for a change. Hence, they should support Aam Aadmi Party (AAP) this time, appealed its Rajya Sabha Member Sanjay Singh.

Addressing media persons at Patrakarthara Bhavana here yesterday, in view of the elections to State Legislative Assembly on May 10, Sanjay Singh alleged that "BJP Government in Karnataka is neck deep in corruption, axing the welfare of the people. The preference given to loot the State is missing when it comes to development works. In this wake, the people should pledge their support to AAP which is committed towards the overall development of the State."

Considering the programmes of the party (AAP) and its corruption free and transparent administration, the voters in Delhi favoured AAP Government again for the third time. Having faith in the party, the people in Punjab too have brought the party to power. We have retained the faith of the voters who have supported us, said Sanjay Singh.

Aam Aadmi Party has been spending people's money on people only. Accordingly, free electricity and education is being provided at Delhi and Punjab. But the BJP Government in Karnataka has achieved the pride of 'Percentage Government' by collecting 40 percent commission, he said in a sarcastic tone.

The people who gave opportunities to Congress and BJP so far, should support AAP this time, urged Sanjay Singh.

State President of AAP Prithvi Reddy said 'The people of the State are fed up of three major political parties, which came to be known during the survey conducted by AAP in several Constituencies of the State. Hence, the people are more inclined towards AAP and the manifesto is prepared after discussing with the people, with district-wise manifestos released in every district. Guarantee Cards are also being issued in this regard, so that the people can move Court if the promises are not fulfilled after coming to power.'

AAP State President Prithvi Reddy, Vice-Presidents Vijay Sharma and Chennappa Gowda, General Secretary Sanchit Sawhney, Secretary Basava-raja Mudigowder, District President Rangaiah, Mysuru candidates Malavika Gubbivani (Chamaraja Assembly Constituency), Dharmashree (NR) and Sosale Siddaraju (T.Narasipur) and Abdul Razak Mardala were present at the press meet.

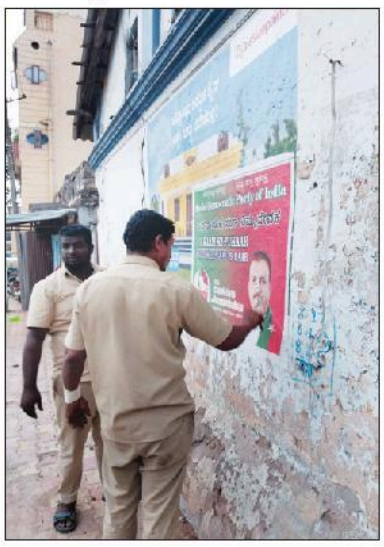
Mysuru, Mar. 31 (KS)- The Mysuru District Deputy Commissioner (DC) has asked all those who have a licence to keep guns to deposit them with the Police till the conclusion of Karnataka Assembly polls.

Deputy Commissioner Dr. K.V. Rajendra, who is also the District Electoral Officer, has issued an order to this effect on Mar. 29 and the order will be implemented in Mysuru district and city limits.

Those who possess guns and other firearms have to deposit their arms at their jurisdictional Police Stations. Carrying of weapons and explosives and using them for illegal activities have been banned from Mar. 29 till midnight of May 13, according to a press release from the DC.

Photos of political party leaders removed, masked from posters



Mysuru, Mar. 31 (MTY,KS& BCT)- Following the implementation of the Election Model Code of Conduct in Karnataka, the Election Commission of India has ordered the removal of all hoardings or posters of Prime Minister Modi and other political leaders of all parties, banners of the Central Government or State bodies in the form of any advertisement by them displayed at various locations including petrol pumps, Jan Aushadhi Kendras, Indira Canteens and others.

The Commission has noted that hoardings of political leaders crediting them for various initiatives violated the Model Code of Conduct which has become operational. The Election Commission has also ordered the removal of the posters, banners and advertisements issued by the State Government with the photograph of the Chief Minister, MP, MLA, Corporator or any other persons.

The District Administration has issued letters to various agencies like oil companies, divisional railways and others to ensure removal of political posters of all leaders. They have also been asked to submit compliance reports to the district election office.

"The hoardings, posters, and banners of the Central and State Governments with the photographs of the PM or the CM at any place within the election-bound Karnataka cannot continue, since it is in violation of the Model Code of Conduct and will interfere with free and fair elections," the Election Commission communiqué said.

In the Mysuru City Corporation limits, all the nine Zonal Officers and Assistant Commissioners have been asked to clear banners, wall paintings, and permanent structures having the names, photos and party symbols of all parties. The photos of former PM Indira Gandhi in front of Indira Canteens are being covered with a white cloth.

In addition, hundreds of wall paintings of Congress, BJP and JD(S) posters are being repainted and erased. Henceforth, if a political party has to put up posters or banners or wall paintings, it has to seek the permission of the District Election Authority and at the same time provide the expenditure incurred to put up the hoardings. The expenditure will be included in the final election expenditure of the candidates and the political party.

MCC authorities prevent unauthorised construction at Bogadi

Mysuru, Mar. 31- In a swift action, the MCC authorities on Thursday stopped an unauthorised construction of a structure in Bogadi here.

Some persons had begun preparations for laying the foundation stone for a structure at a plot behind Sridevi Nursing Home in Bogadi second stage, when locals alerted the MCC authorities. Upon coming to know of the matter, the MCC Zone-3 officials led by Development Officer Satyamurthy went to the spot and stopped the construction as the builders reportedly did not have the MCC license.

The authorities warned them against continuing with the construction without sanction by the MCC. The Police provided security at the spot.

The MCC authorities said that any structure that is built without a Building License issued by the MCC is outrightly considered as unauthorised. Pointing out that locals are claiming that the construction is coming up on a Government land, they said it is learnt that the locals have also complained to the Tahsildar, following which a notice was issued to the builders. However, the builders are asserting that the land belongs to them and as such, they are asked to resolve the issue and obtain MCC license before going ahead with any construction at the site, the authorities said adding that the construction has now been stopped after their visit to the spot.

Mysuru, Mar. 31- India's Mukund Sasikumar stormed into the singles quarterfinals of Cycle Pure Agarbathi ITF Mysuru Open 2023 with a smooth 6-1, 6-2 victory over compatriot Faisal Qamar at the Mysore Tennis Club (MTC) premises yesterday.

Mukund Sasikumar partnered with Vishnu Vardhan in the doubles but their quarterfinal match against Indians Faisal Qamar and Fardeen Quamar was postponed to Friday. Mukund and Vishnu were leading 7-6, 1-1.

It was Sasikumar's second match of the day as the fourth seeded Indian earlier had to complete his last evenings' Round of 32 draw against Serbia's Boris Butulija.

WORD OF THE DAY

Cavalcade

Pronunciation: kav-ul-KAYD.
Meaning: Cavalcade refers to a series or procession of usually related things. It can also be used specifically for a procession of riders or carriages, or vehicles or ships.
Origin: Cavalcade is a word with deep equestrian roots, though it comes (via French and possibly Italian) from a Latin word (caballus, meaning "work horse" or "gelding") that displaced equestrian's Latin ancestor, equus, as a neutral word for horse in Romance languages. In the 17th century, cavalcade was used specifically to refer to a procession of horseback riders or carriages, especially as part of a special occasion, whether joyous or funereal. Over time, that meaning was extended to processions of other modes of travel, including ships, vehicles, or even paraders on foot or float (as invoked by the late singer-songwriter Elliott Smith in his song "Rose Parade" with the lyric "a wink and a wave from the cavalcade"). As a cavalcade of words before and since have done, cavalcade also took on a figurative sense to refer to a series of related things, whether or not they happen to be marching (or trotting) down the road.
Example: "Elton John's Farewell Yellow Brick Road tour made a detour at White House Friday as singer performed for a small audience that included President Joe Biden during an event billed as 'A Night When Hope and History Rhyme.' John ... performed a cavalcade of his greatest hits on the White House South Lawn, including 'Tiny Dancer,' 'Rocket Man,' 'Your Song' & 'I'm Still Standing.'" — Daniel Kreps, Rolling Stone, 23 Sept. 2022.

THE ODD WORD

Callant

Boy; fellow.

PHRASE OF THE DAY

Put the cart before the horse

Meaning: Reverse the accepted or logical order of things.
Origin: The accompanying horse and cart image looks preposterous. That's as it should be as the word 'preposterous' entered the English language precisely to describe such back to front imagery. Of course, 'pre' derives from Latin and is a standard prefix, that is, it is 'at the front'. Likewise, the Latin 'post' means 'at the back', so 'preposterous' actually denotes the normal arrangement of things, with the front at the front and the back at the back. 'Postprerous' might have been a better choice of word but, like "head over heels', which also makes no sense, it's too late to change now. The earliest known reference to 'putting the cart before the horse' comes in John Heywood's A Dialogue conteinyng the nomber in effect of all the Prouerbes in the Englishe tongue, 1589: To tourne the cat in the pan, Or set the cart before the hors.
